

Halifax Academy Scholarship Information

The deadline for submitting the completed application and the supporting documentation is June 1st. Incomplete applications will not be considered.

Since grades are not available by June 1st, Halifax Academy staff will be responsible for getting the student grades and the Stanford 10 results for returning Halifax Academy students. If the student is not student at Halifax Academy, the applicant is responsible for providing **certified copies of grades for the past three semesters and current end of year testing results.** This information must be received by June 15th for the student to be considered for a scholarship. End of year test results for tests other than the Stanford 10, will be reviewed by the Headmaster of Halifax Academy who will advise the Scholarship Committee on fulfillment of the academic requirement.

Each year the Scholarship Committee evaluates the applications, grades, and letters of recommendation to determine the amount of scholarship to award. Receiving a scholarship in the past does not guarantee a scholarship in the future.

If the applicant is eligible for a partial scholarship, they must have paid their registration, book fee, and have a signed contract for the upcoming school year on file in the school office to be considered for a scholarship.

If the applicant is eligible for a full scholarship, they must have a signed contract for the upcoming school year on file in the school office to be considered for a scholarship.

Please put all the required information in a large envelope with the child's name and application year on the front of the envelope.

Halifax Academy Scholarship Requirements

The student must score at or above the 50th percentile on the end of year standardized test. A certified copy of the results must be provided.

A certified copy of the student's report card for the last three semesters must be provided. The student must have maintained a "B" average for the last three semesters. If the student is entering kindergarten this requirement will be waived. Students entering 1st grade will be required to provide a kindergarten evaluation for review by the Halifax Academy Headmaster and Scholarship Committee.

The student must maintain a "C" average to receive the awarded scholarship.

Three letters of recommendation must be provided. One letter of recommendation must come from the student's current teacher or other full time school official who works directly with the student on a regular basis.

The parent or guardian of the student must provide a copy of the previous year's Federal Tax Return and a complete financial statement form. The financial statement form must be complete and provide any necessary paperwork to verify accuracy.

To be considered for a full or partial scholarship the family's income and all sources of financial support must be:

Full Scholarship: \$30,000 / year or less
Partial Scholarship: \$30,000 - \$50,000 / year
