

High School English Supply List

(Students may have to purchase one novel each semester. Teachers will let students know at the beginning of the year what novels to purchase and the date the novels will be used in class.)

Notebook paper

Black or blue ink pen

Pencils

Clorox wipes and box of Kleenex donated to classroom

Please note the following:

- 1. Since several departments are requesting colored pencils and scissors, all students are to purchase one box of colored pencils and one pair of scissors. Students are to keep these in their book bags, so they can use them as needed in their classes.*
- 2. Each teacher may add a few additional supplies to his/her list at the beginning of school.*
